come autumn

By RICK MATSUMOTO

As the warm, lazy Indian days of September draw to a close, Mother Nature prepares her vast forests of Ontario for a long winters sleep. Starting in the northern latitudes of the Red Lake, Lake of the Woods regions, her scintillating mantle of color spreads over Muskoka, Haliburton, the Ottawa and St. Lawrence River Valleys down through the Bruce Peninsula, Lake of Bays and Huronia about the third week in September and seldom fades before mid-October.

It takes no special imagination to picture this riotous panorama of thousands of square miles of hardwood forests splashed with the scarlett, orange and gold of her changing leaves. Each year at this time we thrill to this magnificent array of colors in Nature's everchanging picture; perhaps because it is such a fleeting pleasure. Too soon the leaves flutter down from their summer homes and become part of the rich pile that carpets the forest floor.

Many people believe that Nature's helper, Jack Frost, is responsible for the autumnal color changes, but some leaves begin to turn before we even have any frosts. The Indians had a fantastic legend that the change occurred when celestial huntores slew the Great Bear for their winter meat and that the red color was blood splashed on the leaves. They explained the yellow tones as being fat splattered from the great kettle in which the giant hunters cooked the meat. Factually, and equally astounding, the annual spectacular created in Ontario's woodlands as the leaves change color, is the result of chemical processes which occur in deciduous trees and plants and at least in one conifer, the larch, as these forest entities prepare for winter.

This year Furuya Travel Service of Toronto are planning an "Autumn Color Tour" to the Muskoka Lakes, some 100 miles north of Toronto, via chartered bus. The troupe will leave the city on Sunday, October 1st during the morning and arrive in Gravenhurst some 2½ hours later. From Gravenhurst the bus will travel west to Bala, then to Port Carling, past Millford Bay and back to Bracebridge. The cost of this wonderful trip will be approximately $5.00 and you are asked to bring your own lunch as the bus will stop in Port Carling around lunch time.

So why not join the many other people who will gaze with awe at this breath-taking and truly magnificent vista on the "Autumn Colour Tour."

Biggest Show Places Nisei Owned Dog

OAKVILLE, Ont.—At the Oakville and District Kennel Club's 11th annual all-breed show in Ontario on the weekend of September 9, which became Canada's largest with 428 entries, perhaps a first event amongst Japanese Canadians took place when 3-year old Champion Saluki hound, "Kesari Asad Gamyl" owned by Mr. and Mrs. George Tanaka of Port Credit, placed fourth in the hound group, winning his first trophy over many well known champions the Tanakas, were proud of the showing by their Saluki, Asad Gamyl, as he took fourth place amongst well known champions and particularly because Salukis are an uncommon breed not well known in Canada. First place was won by a fine Standard Smooth Dachshund, second place by a well known Afghan and third place by an International Champion Basenji Hound.

The judge was Mr. Robert R. Laskey of New Brunswick, an

Some 68 entries competed in their respective hound breeds which included Dachshunds, Afghans, Whippets, Beagles, Borzois, Bassets, Elkhounds, Rhodesian Ridgebacks, Basenjis and Salukis. The winners of each breed competing for the four trophy placements.

Mrs. Ruth Coates of Kesari Kennels, King City, Ontario, the handler and possibly the only breeder of Saukis in Canada, and experienced judge in Canada and the U.S. who has seen many Salukis.

The Saluki, explained the owners, is one of the oldest breed of dogs, originating from the middle east, Arabia and Egypt where the dogs are used as hunters to catch the swift running gazells. Salukis are known to run as fast as 60 miles an hour. They are a beautiful breed and very graceful in motion.

Japanese Settlers Quit Dominican Republic

CUIDAD TRUJILLO, Dominican Rep.—A group of Japanese settlers in the Dominican Republic are returning to Japan next month due to extreme difficulty in eking out a living from land unfit for farming.

Some 36 families, totalling [illegible] persons, settled in the village of Neiba and neighboring areas of the Dominican Republic will return to Japan.

The return of the settlers [illegible] cently has been decided by the Japanese foreign office because of the delay in an answer from the Brazilian government to its earlier request to per[illegible] settle in Brazil.

In a letter to a Japanese [illegible] the settlers complained that [illegible] land provided by the D[illegible] government was unfit for farming and they had to depend [illegible] the most primitive farming methods for subsisting on [illegible] barren lands, with the result [illegible] they were forced to live from hand to mouth and that an increasing number of them were suffering from malnutrition."

The settlers claimed they were "now barely living on small quantities of milk provided them by the Dominican Republic government."

Reports from the settlement also revealed that some of the [illegible] were engaged in pro[illegible] in order to subsist. [illegible]

Tor. JCCA Continues Its Excellent Work

TORONTO. — The Toronto JCCA met on Wednesday of this week to discuss the Labor Day week-end activities and to plan future programs. With regards to the National JCCA conference which was held on the Labor Day week-end, the two Toronto delegates Ritsuko Inouye and Mits Sumiya reported that the conference had been a huge success and that they had learned much about other JCCA organizations. In referring to the close unity with which the National conference had run, Mits Sumiya said: "You the national delegates as they strived to save the National body."

Toronto's share of maintaining the National office was also explained to the Toronto executive. Of the $450 which Toronto accepted as her quota, $175 will go as actual cash. The remaining sum of $275 will come out of the cost in maintaining the National headquarters in the same office as Toronto. Toronto will "foot the bill" in the case of rent, phone charges, etc.

Hideo Takasaki stated in his report of the softball tournament that all went very well after a few obstacles had been ironed out. It seems that some difficulty was experienced in obtaining accommodations for the out-of-town players. As to recommendations for next year, Takasaki suggested that the TJCCA get in contact with Roy Yamamura, ex-Asahi baseball player and currently an umpire in the Toronto Playground Baseball League to officiate next year. It was also brought to the attention of the executive that Manitoba and the Lakehead were willing o send a team to the tournament next year if given adequate notice. There is also a rumour that a team from the Niagara-St. Catherines area were hoping to join the tourney.

There ws also a recommendation that the TJCCA tournament dance committee scout around for a larger and cooler dance hall next year.

With the fall social season rolling around the Toronto JCCA is planning a dance for Friday, Oct. 20th at Canadian Memorial Chiropractor College on Bloor St. Further news will be forthcoming.

The JCCA is holding, (for members only for the time being) classes in Japanese cooking. These classes to start in approximately the last week of September will be taught by Mr. Noda.

The Toronto Chapter will again support the work of the Issei-bu. They voted unanimously to give the Issei-bu $500 towards their work. The JCCA also donated $25 towards the planned dinner for departing consul, Mr. Katakami and his family. The farewell party will be held at the Nikko Garden on Sat., Sept. 23rd at 6:30 p.m. and the charge will be $2.75 per person. Those wishing to attend are asked to contact Mr. T. Kamioka at EM. 8-9951 or The New Canadian.

Official sanction was given to transfer the funds in the Emergency Relief Fund to the Toronto JC Welfare Fund. This fund will be used primarily to assist in local welfare work, but should relief funds be required abroad, in Japan or elsewhere the money will be readily available. The Toronto JCCA donated $10.45 this fund to cover the amount used in 1961 for welfare work in Toronto.

The executive also selected three members attended a meeting and assist the Issei-bu in a planned concert to celebrate their 15th Anniversary, which will be held at the Ukrainian Hall on Oct. 29th.

U.S.-Japan Doctors To Do Cancer Research

TOKYO.—Japanese and American researchers will jointly undertake an intensive study next spring to determine whether different environment and eating habits affect the incidence of cancer among persons of Japanese ancestry.

The three-year study will be based partly on interviews and case histories of some 360,000 persons of Japanese origin now living in the United States. Similar surveys will be made in Japan.

Investigations in the United Statch will be done by the U.S. National Cancer Institute and the State Health Departments of Hawaii and California. Tohoku University will conduct the Japanese researches in cooperation with the U.S. Atomic Bomb Casualties Commission in Hiroshima.

By comparing the figures from each study, the researchers hope to learn what effect food and environment have on cancer.

The higher incidence of lung cancer among Japanese in the United States than among native-born Japanese is one fact in which scientists wish to probe further.

Fraser Pink Salmon Run Said "Desparate"

VANCOUVER.—The state of the Fraser River pink salmon run this year was described as "desparate" by W. R. Hourston, Pacific area director of fisheries. [illegible]

[illegible]

Mr. Hourston said the fisheries [illegible] concerned [illegible] salmon run [illegible] northern rivers, where catches have been averaging between 30 and 60 per cent of the normal cycle year. A two-day fishing week has been ordered in these waters as a conservation measure.

In the Horsefly River spawning area of Central B.C. about [illegible] spawning sockeye were lost because of high water temperature. It was originally thought about 200,000 fish would spawn in the Horsefly.

Heavy rains have helped ease a problem in northern rivers, where low water had endangered spawning for a time. In the Babine River, main spawning stream of the Skeena system, more than 800,000 sockeye have been counted.

VISIT DATE SET

TOKYO.—The date of Canadian Prime Minister John Diefenbaker and Mrs. Diefenbaker's official visit to Japan has been set from Oct. 26 to 31, the Japanese Foreign Ministry announced this week.

Giants Wallop Busseis 7-2 To Enter Finals

TORONTO.—Roy Tanaka personally led the Giants into the Nisei Sunday Baseball League finals, against Main Auto Body tomorrow, as he walloped a homer and pitched a two hitter at Earlscourt Park last Sunday. Tanaka broke up a tight pitching duel between himself and Bussei's Bob Nishikawa in the 4th inning with a towering home-run deep to left centre, which platted two runs. From there the Giants never looked back as they went on to record a 7-2 victory. Aside from Tanaka, Bob Miwa was the big gun at the plate as he gathered three hits in five trips to the plate. His younger brother, Dave came up with a great performance as he singled twice and played a strong defensive game. Ray Tani also picked up two hits; a single and a double. Vic Kitamura garnished a single, to round out the Giant hits.

Tanaka was very effective on the mound as he allowed just two hits. He had the Busseis constantly hitting into the dirt, thus eliminating any long drives.

For the Busseis Sam Terashita and Fred Kotani both banged out doubles for their only hits. Kotani's hit was the only long drive off Tanaka as it bounced off the fence deep in left field, missing a home run by just a few feet.

Bussei hurler Bob Nishikawa started his own downfall in the 4th inning when he hit Satch Tomihiro with a pitch and then served up a gopher ball to Tanaka who promptly belted it out of the park. In the next inning he hit two more batters and allowed a single before he was relied by Mas Mori.

Mori couldn't find the strike zone as he waked the next two batters and forced in another run. In the last inning Mori gave up three hits and two walks which plated the Giants two more runs and also locked the door on any hopes the Busseis had on walking away with this year's silverware.

NOTES: Bussei right-fielder Sam Terashita closed out the season with an injury when he was struck in the face by a fly ball which he had lost in the sun. This Sunday, September 17th the Giants and Main Auto Body open a best of three series at Earlscourt Park to decide the championship for 1961. Main Auto who ran away with the pennant will be trying to prevent the Giants from winning their third straight championship.

Palmer and Player To Play Golf In Japan

TOKYO.—Japanese golfers expressed the hope that Arnold Palmer of the United States and Gary Player of South Africa will compete in the Japan Open Golf Tournament scheduled to begin Nov. 8 at the Takanodai Country Club in nearby Chiba Prefecture.

Player biggest money winner thus far this year in the United States, and Palmer are scheduled to arrive in Japan Oct. 30 for exhibition matches over a two-week visit.

Their visit will be sponsored by Time-Life magazine and the Japan Professional Golfers Assn. in connection with Japan's Golf Week and the Yomiuri newspaper, the sports newspaper Sports Nippon said recently.

Player was a member of the South African team that competed in the Canada Cup matches at the Kasumigaseki Country Club outside of Tokyo in 1957.

World Judo Championships To Be Held In Paris

TOKYO.—Four top Japanese judoists will represent their country at the Third International Judo Championship Tournament to be held in Paris, France on Dec. 2nd and 3rd of this year.

An elimination tourney was held this month at Fukuoka Sport Centre in which 24 judoists participated. As a result of this recent competition Yasuhiri Sone (6th dan), Hiroshi Yamagishi (5th dan) and Masanari Shigematsu (5th dan) were selected for Japan's team to the Paris tournament. Akio Kaminaga who did not appear at Fukuoka Sport centre was recommended as the 4th member of the team.

More than thirty countries will send their top notch judoka to the Paris tournament for the world championship and included in this group will be Fred Matt of Vancouver representing Canada.

Reverse Call By Ump Causes Huge Riot

TOKYO.—Brooklyn was never like this—well, hardly ever. Flaming newspapers . . . flying pop bottles . . . soaring cushions . . . 260 cops . . . fire in the bleachers.

And all because an umpire reversed his decision.

The trouble started at Korakuen Stadium after Umpire Shunosuke Shima first called a Kokutetsu Swallow runner out, and then reversed his decision when the Swallows protested that third-baseman Shigeo Nagashima interfered with the base runner.

The Giants, fighting for the Central League lead, are the most popular team in Japan. Nagashima a 24-year-old star considered by many as the best player ever to play Japanese professional baseball, is the idol of the fans.

The disputed run, which put the Swallows ahead, 3 to 2, in the 11th inning, was too much for most of the 37,000 fans.

They threw empty bottles, cushions and flaming newspapers. A crowd stormed the Giant dugout and impiored the players to protest by not playing any more.

Two hours later, the Giants played out their half of the 11th and failed to score. The Swallows won 3-2 to split a doubleheader and leave the Giants ½ game out of first. The Swallows are in third, three games back.

By the final out, it was past midnight, and the trains had stopped running. It was the first time a game had not been called before midnight. Games usually end at 10 p.m.

Some 500 fans milled around the stadium, climbing on cars and demanding taxi money because they missed their trains home.

Six fans were arrested in what was considered the worst riot in the history of Japanese baseball.

貞一は、もう一度、病人の眞知子を見舞つてから、車を運轉して歸つていつた。

母親の病狀も大したことはないし、今日は人間の微妙な温かい心に觸れて、たいへんいい日だつた。――と、とみ子は滿ち足りたような氣分で、あちこちで口笛をピーピー吹いたりした。

×

眞知子は、四日ほど風邪で勤めを休んだが、その間貞一は毎日往診に來てくれた。診るだけで、注射も投藥もしなかつた。藤林老主治醫のやつていることで、手當は十分だというのである。

しかし眞知子の方では、貞一が顔を見せてくれるだけでも、心強い氣がした。二十分か三十分、とりとめない世間話をして歸つて行く。それが眞知子の氣分をはげまし、おかげで病氣も早くよくなつたような氣がするのだ。

四日目には床を上げて、髪をすき、キチンとした和服に着替え、温かい食堂で、桶川さんが學校から持つてきた、欠勤中の書類に目を通すほどになつた。

（あの先生……今日は何時ごろいらつしやるのかしら。いつも氣紛れな時間にヒョッコリ姿を現わす人だけど……）

そんなことをチラと思つたりしてるうちに、ふと、いま着ているねずみ色のつむぎは、貞一の前では二度目の衣裳になる……と氣がかりになつた。で、納戸に入つて、黒地に白の小紋を派手に散らした小濱ちりめんに、うす紫の無地の羽織をまとつた。

三時ごろになると、貞一がやつてきた。どうしたものか、胸あてのついたジンの勞働着をつけ、鳥打帽子をかぶり、小脇にシクラメンの鉢を抱えていた。

「やあ、もう起きたんですか。顔色もよくなりましたね。でもまあ、一日二日は無理をしないで下さいよ」

「おかげさまで……。先生、どうなすつたんですの、その恰好は――?」

「いや、わしも人並みの休日がなければ、生活がノッペラボウになつてはいけないと思い、木曜日をそれにして、よくよくの重患を抱えてないかぎり休むことにしてるんです。今日は家のまわりを片づけたり、庭の手入れをしていたんですが、このシクラメンがあまり見事に出來たんで、貴女に眺めて樂しんでいただこうと思つて、こんな恰好のままでやつて來たんです……」

△今月末發行される月刊雜誌『ハラデー』十月號は全ページを日本特集に發している。發行前にその一冊を贈つてきて、讀後感を書いてくれという。ひろい讀みしながらページを繰つてみたが、美しいカラー寫眞入りで、記事も面白い。二世や三世は一度讀んでおいても惡くないなあ、と思つた。

△戰前、日本に滯在したことのある外人、戰後日本を訪れてうけた印象記などのほか、それぞれの專門家たちが、日本を多くの角度から分析している寄稿もかかげている。流行作家の三島由紀夫氏や初見レイ子氏の書いた記事も出ており、月並みな日本特集號ではなさそうだ。

△この雜誌の編集者がいつていることに『日本ほど了解するのに困難であり、我慢強く調べることを要求される國は他にはない』とは眞實の告白といえよう。日本は古い傳統の一面を出しているかと思えば、西洋的な考え方、行動そして仕事をしている面が重なりあつて日本人の姿がぼやけているというのである。

△だから、このぼやけた姿を總体的に評することは愚者か走り見の觀光客のすることであるとしている。かなり力を入れて編集した努力の跡は歴然とみられるものがある。日本とはどんな國かを少しでも知ろうとする若い日系カナダ人には一讀をすすめたい。

日本人の引揚げと移住（八）

（在カナダ臨時大使代理）　鈴木孝

これがいわゆる『短農』の計畫が實現するに至つた裏には、多くの人々の努力があり、それが積重なつて私の交渉を容易にしたのだと考えているが、この點で最も忘れてならない人物はワシントン在住の二世マイク正岡である。彼はスイング長官の信頼厚く、日本大使館の側面に立つて早くから本計畫の實現のため東奔西走した。私がサンフランシスコで農業團体三代表と交渉するときには、わざわざワシントンから飛んで來て同席し、適切な發言をもつで交渉を援助してくれたが、計畫がついに實現することになつて非常なよろこびようで、これで日米間に大きな橋がかけられたといつて私の手を固く握つたものである。なおマイク正岡のほか、彼の弟ジョー及びハンク三上も私の手足となつて働いてくれた。今でも私はこれを多としている。

計畫實現となると、何より重要なことは、優秀な青年だけを日本からすぐつて送り出すため、募集及び送出の強力な機構を速かに作ることであつた。この點については、かねてから移住について縄張り争いが外務省と農林省との間にあつたため、農林省との協力体制を作ることに私は苦労した。私の交渉が成功したのを見るや、農林省の一部にはこの仕事を獨占しようと考える者も出て來た。私としては、この爭いは官廳の權限爭いを超越する國家的事業であり、兩者はその責任に應じて仕事を分擔すべきであると信じたので、ついに意を決し上司を通じて石黒忠篤氏にこの仕事の主宰者となることを懇請した。

石黒さんは農林大臣を勤めた農林省の大先輩であるが稀に見る公平無私な實力者であり、われわれとしてはこの人を措いてこの仕事のかしらになつて貰う人はまず無いと判斷したのである。石黒さんは、しばらく考えておられたが、やはり快諾され〃派米農業勞務者協議會〃の會長に就任された。これで國内体制が出來た。

石黒さんは昨年故人となられたが、その一年前、三年間のカリフォルニア生活を終えて無事歸國した派米青年第一陣の歡迎ならびに報告會が一九五九年十月東京で開かれたとき、私に招待狀を送つて下さつたが、その手紙の中で『今日この會が開けるのはこの計畫を交渉されたあなたの御かげであり、改めて感謝します』と述べられた。恐縮せざるを得なかつた。日本の農業のために一生を捧げられた石黒さんの最後の仕事が、この計畫の骨の折れる實行であつたことを思い。私は「石黒さんの死がこれで早められたのではないかと申訳けない氣持である。

随筆　山荘生活四カ年半（二）

在米　加納生

山荘の東はホース・シュー・レーキ、長さ六哩、幅一哩、深いレーキで水が青々として美しい。月明の夜などは殊更に金波銀波がただようて美しい。西は山になつていて漸次高度を増し、野原が松林になり、三十哩行けば一万呎以上の分水嶺に達する。そこには鹿、カイオット、マウンテン・ライオン、バブ猫、黒熊等が居る。北と南は狭いヴァレーになつて平坦である。ここは別荘地であるから家がまばらに十数軒建つているが冬には誰も來ないし、夏には週末に遊びに來る位で、ここは風光明媚のみならず閑靜な地である。

山荘の北一哩弱行くとツーダバーグ氏經營の五千エーカーのランチがあり、牛を飼育している。主としてハーフホード牛で、馬も乘用のが十數頭いつも見える。牧畜專門であるのでアルバル牧草以外何も耕作していない。二、三日前場長の令妹エレンが見えて、最近若い牛をブッチャーしたから肉をあげようと一包持參された。エレンさんの話では熊が出て來て折角なつた桃の實を食べた事、牧草收穫作業の終りが近くなつたらポーキュパインが數頭現われて松の皮をかじりに行く途中に出會つた。松を枯死させるのはこの針ネズミである。カイオットは澤山いて家の近くにやつて來る。だから雞や猫は飼えない、皆その犠牲になるから。鈴蛇も時折出て來、うまやの中にいて尾をガラガラ鳴らしていたから兄さんのジョンが殺した——等々と興味ある話を聽かしてくれた。弟のポール君は第二次世界大戰の後に日本に進駐した。一家揃つて日本好きでエレン嬢は日本の盆栽に趣味を持ち、山から老松をとつて來て鉢植にして樂しんでいる。來月末にはデンバー市で盆栽展覧會が催されるから是非行かれるようにと勧誘しておいた。

昨年の末、山荘に來て井戸を掘つた若いバーン君も在郷軍人で、日本に進駐し仕事をしながら日本の話を愉快そうに話した。田舎に行つたとき大根を食べた、米國のラデッシュは小さいが、日本のは實に大きいというので、うちの畑から拔き取つて見せたところ〃これこれ〃と言つてバリバリかじり出したのには驚いた。最近デンバーには富士園という高級の日本料理店が上町に出來た。白人のお客が主で千客万來の盛況で、一早くからリザーヴしておかねば突然行つても席がないとの評判である。

山荘の畑は三十坪位の廣さに過ぎないが、私共夫妻で手鍬農法で經營するのは仲々に手が廻りかねる。もう今年で五年目であるが最初の年は雜草やセージ・ブラッシュの中にラデッシ、レタス、人參、スピニッチ、豆等を作つた。然し年々作物も新らしい品種を加えると共に耕地を整理し、今日ではイリゲーションも南から北に六十呎も流れるようにしたので、灌漑作業も樂になり雨の水も無駄にしないようにデッチを作つた。それで來年からは樂になり釣魚や帆走（ヨッテング）に行くタイムが出來ることであろうと樂しみにしている。

獨自の憲法制定 各州が賛成表明
カナダ側國九十四年ぶりに

【オタワ發】カナダが誕生して九十四年ぶりにカナダ獨自の憲法實現が目前に迫ってきている。カナダ國內十州の檢事總長およびフルトン司法大臣らは、カナダ自体が憲法を改正又は修正する方法について幾回もの會合を重ね、今週も今年中における第四回の同樣會合を終わつたばかりだが、九州代表者は憲法修正案に同意、サスカチワン州はまだ意見發表を留保しているが、異議はないものとみられている。現行の『ノース・アメリカン・アクト』は一八六七年に通過し、カナダの憲法となつているが、その修正又は改正には英国の承認を必要とするもので、完全獨立国のカナダが憲法修正にあたつて英国の手を經なければならないのは時代おくれも甚しく、獨立性の無視だという聲があげられていたものである。

【東京時事通信】日本政府は、[illegible]ようとしている現第十六回國連總會に臨む基本的態度について最後的意見調整をはかるため今週池田首相、小坂外相、大平官房長官ら外務省の首脳が集まつて協議した。その結果は大綱において[illegible]話し合いによってすべての問題が解決すると前提に立ち、日本は危機回避のためにあらゆる努力を払う。次に日本は従來通り国連の機能を強化するために努力する。

△第一に、東西対立が限界[illegible]さらに西欧陣營とアフリカ・アジア・グループとの協調関係については、日本は西欧陣營の一員としての立場をより強固にする一方にアジア諸国の利害を考えて行動するが、もしエー・エー・グループ、とくにエー・エー・グループの一部が非常識な態度をとれば、これには批判的な立場から是々非々の態度をとる。

△中國代表權問題については、米國から意向打診のあった『重要事項指定方式』に原則的に賛成の態度であり、この方式と同時に『特別委員會方式』を併用して總會に提案するのが最も妥當であるとし、西欧陣營の足並みがこの方式でまとまることを望んでいる。これは国府の國連における地位を現状維持とする前提に立つものである。

日本の外國向け郵便料金値上げ

【東京時事通信】郵政省は十月一日から外国あて通常郵便物の料金を全面的に改正する。これは六月一日からの国内郵便料金の値上げに伴うもので、改正の結果、船便通常郵便物は平均三〇%の値上げ、航空通常郵便物はアジア地域が約二五%、米国方面が八%値上げとなるが、歐州、南米向けは約一三%値下げされる。

歐州市場 英の參加反對
＝カナダ代表が卒直に告ぐ＝

【カナ国アクラ發】當地で行なわれている英連邦国經濟相會議でカナダのヒース通産相およびフレミング藏相は卒直に『英国が歐州六カ国共同市場に參加することは英連邦国結合をこわすことになる』と重大警告を行なった。英国としては歐州六カ国共同市場は今年末までにおける行動の最高位においている。しかし、カナダ側としては英国が歐州共同市場に參加すれば、英連邦国間の傳統的な貿易がこわされるとして、英国に反省を求めているわけである。

全勞働者の四〇・五パーセント 日本婦人勞働人口増す

【東京發】勞働局婦人少年局は先週、昨年度のビジネスガール、店員、工員、家事從事者などの實情調査をまとめた『婦人勞働白書』を發表した。それによると、ここ一、二年足ぶみを續けていた婦人勞働人口は、雇用者中心にめざましくのび失業數もここ數年の最低を記錄した。男性との賃銀差は前年に比べて縮まっているが、中年婦人の場合、男性と同じように再就職はむずかしい傾向があるという。

△昭和三十五年の婦人勞働人口は、千八万二十八万(十五歳以上の女子人口三千三百九十二万)で總勞働人口の四〇・五%。ここ數年婦人勞働人口の増加は六万から十五万とほぼのび悩みだつたのに、三十五年にはいつきょに三十四万もふえている。三十五年中、とくに女子雇用者のふえた産業は電氣器具、一般機械、輸送用機器など。『センイ工業中心だつたこれまでの婦人勞働もようやく体質改善のきざしをみせてきた』と白書はいっている。

△三十五年は全般的に新規求人二百九十万人に對し新規求職者は二百七万人だが、中、高卒の求人難は男と同様深刻で、充足率は前年を一〇%も下回る五五%だった。新卒でなくても女中、家政婦、ウェートレス、看護婦などは求職者がへり充足率は約七割という。女子の平均賃銀は一万二千四百圓(男子の四二・八%)、前年に比べて九百八十圓ふえ、男女の賃銀格差もしだいに縮まりはじめているという。

在米日系人を對象に ガンの研究

LAKEHEAD REPORT

FORT WILLIAM, Ont.—The organization of the Lakehead Nisei Club was inaugurated in the spring of 1946, with 86 applications for membership, and with Al Kondo (now of Toronto) serving as president.

The "Club" has remained active throughout the 15 year period, dating from the inauguration, and in 1961 we have a membership approximately to that of 1946.

Review of the Major Activities of the Organization Since 1953

1953 (a) Establishment of Keiro-Kai (for those 65 years and over).

(b) A canvass was conducted to aid the Japanese Flood Relief Fund.

(c) A Nisei Students Club (fod high school students) was organized.

1954 (a) Formation of Lakehead Nisei Club—Junior Division (organized by, and for the young people who have completed high school).

(a) Formation of Ladies Auxilkiry, with an initial membership of more than 70.

1955 (b) Delegates were sent to the Ontario JCCA convention Chatham, Ontario.

(c) Scholarships were set up to be awarded to the top Nisei graduates of both Vocational and Collegiate High Schools in Fort William.

(d) A Christmas party for children 10 and under, was held for the first time and has since become an annual affair.

1956 (a) The Lakehead Nisei Club took the initiative to assist in the renunciation of dual citizenship and the attainment of naturalization papers. The former underaking brought successful results. In the matter of Canadian Citizenship, the Lakehead Nisei Club took careful measures first, in having the citizenship questionaires translated into Japanese and second, in conducting night classes. As a result 10 applicants received their Canadian citizenship papers.

(b) Presentation of JCCA gold pins to twelve "Club" members.

(c) Participation in a cultural display, in which all ethnic groups of the Lakehead were asked to take part.

(d) Compilation and distribution of a Japanese telephone directory, embracing residents of the Lakehead and surrounding districts.

(e) A golf tournament, between the Lakehead Nisei Golf Club and the Manitoba JCCA in Winnipeg.

1957 (a) The question was raised whether it would not be wiser to transfer our affiliation from the Ontario JCCA to the Manitoba JCCA due to our geographical position. After correspondence with them it was decided to remain with the Ontario JCCA, but nevertheless participate with the Manitoba JCCA in regards to attending their conferences and to the exchange of ideas.

1958 (a) A full slate of local activities, such as the Annual Picnic and the annual New Years Social were held. The L.N.C. continued its aid to pensioners with their applications, etc.

1959 (a) Mr. Ken Adachi visited the Lakehead in connection with the NJCCA History Project.

(b) Typhoon Vera Disaster Fund Drive was held in November.

(c) Mr. Ed Ide, NJCCA President, visited the Lakehead in January.

1960 (a) The Japanese Olympic Hockey Team visited the Lakehead in January.

(b) The Manitoba JCCA and the L.N.C. agreed to exchange ideas in order that each might share in closer relationship.

1961 The "Club" continues to function in local work and activities.

Future Plans of the Lakehead Nisei Club

Lakehead people, in general, feel that our organization is a necessity to the Japanese community; but, as in most organizations, a problem arises each year in the formation of a executive.

The general membership is otherwise quite willing to serve both morally and financially the projects undertaken by the "Club".

It can be concluded that the Lakehead Nisei Club will strive to continue its activities as long as possible. While a Provincial JCCA is functioning, the executive feel that respective orgahizations should do likewise. Moreover, it is felt that the "Club" should be retained since, for the most part, it is the Issei peoples sole outlet for activities.

Reiko Yamada (real name: Hiromi) took over the role of Mei Li in the touring company of "Flower Drum Song" when Filipino actress-singer Cely Carrillo left the east. "Flower Drum Song" is currently playing at the Forrest Theatre in Philadelphia.

Miss Yamada's previous stage experience was in one of the touring companies of "The World of Suzie Wong," in which she played the leading role of Suzie Wong.

People have been asking, "What ever happened to Eiko Endo, the Japanese actress who appeared opposite John Wayne in "The Barbarian and the Geisha"?"

Well, a trade weekly recently reported that she is now working as a hostess at Tokyo's Capacabana, one of the city's top night clubs.

Popular songstress Izumi Yukimura is reported to be picking up where she left off since returning to Japan after appearing for more than a year in "Holiday in Japan".

Reports state that she has been making numerous theatre appearances as well as making records, fulfilling TV and radio engagements, and making movies.

Steve Parker who brought the successful "Holiday in Japan" to the United States, is now preparing to bring another Asian variety to this country, but this time from the Philippines.

Parker is getting together a show called "Philippines Festival," which is scheduled to open at the Dunes Hotel in Las Vegas on Sept. 11.

Yoko Tani Japanese actress who made the grade in Europe, will appear in the movie "Marco Polo" to be filmed in Italy. She will play the role of the daughter of the Empress of China.

Others in the cast will be Anthony Quinn and Ken Scott.

Among those in the cast of the current movie "Marines, Let's Go" are Hideo "Froggy" Imamura as Pete Kono, Fumiko Fujimoto as Song Do, and Henry Okawa as Yoshida.

James Shigeta, who is at present, the only Japanese actor to be playing the leading male roles in Hollywood films since the silent film days of Sessue Hayakawa, seems to be in great demand for various movies.

It has been reported that Shigeta has been sought for the film "Rififi in Tokyo" by French producer Jacques Bar. The movie is expected to be filmed in Japan this year.

Miyoshi Umeki, who recently finished filming "Flower Drum Song," will appear next in MGM's "Horizontal Lieutenant" with Jim Hutton, Paula Prentiss and Jim Backus. She will play the part of a South Sea island native girl.

The story of "Horizontal Lieutenant" concerns a Japanese soldier stranded on a South Pacific island who doesn't know that the war is over. The movie will be a comedy.

Brazilian Ambassador Gives Ringing Tribute To Japanese Immigrants

TOKYO.—Brazilian ambassador to Japan Decio de Moura said recently his country "owes much of its progress" to the Japanese immigrants who have settled there.

De Moura made the statement in a ringing tribute to the Japanese immigrant on the occasion of Brazil's 139th anniversary. It was widely published by English-language newspapers here.

The Brazilian envoy said the "role of the Japanese immigrant, whether he be a farmer, factory hand, an engineer or a technician has been a powerful lever in the promotion of the economic development" of Brazil in the last 50 years.

He said the combined number of Japanese immigrants and those of Japanese descent in Brazil is nearing the half-million mark. De Moura said that although a few immigrants return to Japan, the great majority stay and settle in Brazil.

He said the only problem the Japanese immigrants and their children face in Brazil is their "identification with the social and cultural life of the country."

"Much still has to be achieved in this field," De Moura said. "But my personal conviction is that, rather than forcing a solution through artificial measures, the best and most practical one is just to let time take care of it."

He said that even today "there are some Brazilians of Japanese descent who are taking an active part in the cultural, social and political life of the country."

He said many Brazilians of Japanese ancestry have been elected to municipal and state assemblies. One Brazilian of Japanese descent is a member of Brazil's Chamber of Deputies, he said.

This, he said, "is perhaps the most convincing proof of the adaptability of the Japanese to such a different pattern of culture and civilization."

Importers Missing Bet Says Japanese Official

VANCOUVER.— A Japanese trade official has urged B.C. businessmen to reverse the flow of trade from east to west, to west to east.

Shunichi Azuma, director of the Japan Trade Centre in Toronto, told a luncheon here that Vancouver importeres should "take advantage of this natural (trade) road—from Japan to Vancouver to eastern Canada to expand your sales and build up your business."

He said there were isolated cases of a Vancouver importer selling in eastern Canada, "but the representation is still too small in relation to the size of the market in Ontario and Quebec."

Mr. Azuma said that while Canadian sales to Japan will likely top $200 million this year, up from $178 million, Japanese sales to Canada may fall below last year's level of $110 million.

"It seems to me that on many of our products that are exported to Canada, the 'orderly marketing' that we talk about is not an orderly expansion type of marketing program, but an orderly retreating marketing program."

"So severe is the quota system" on certain Japanese goods entering Canada that "I doubt very much if Japan's sales to Canada during 1961 will increase over the 1960 total," he said.

re: How To Prevent Forced Liquidation

The value of nearly every sole proprietorship rests on the drive and ability of the man who owns it. When he dies a tragic sequence of events can lead to a forced sale of the business and a severe financial loss to the heirs. There is an ideal solution to the problem which calls for Business Life Insurance plus the services of a skilled Life Underwriter.
